

Highway Diabetes Centre

AUGUST 2016

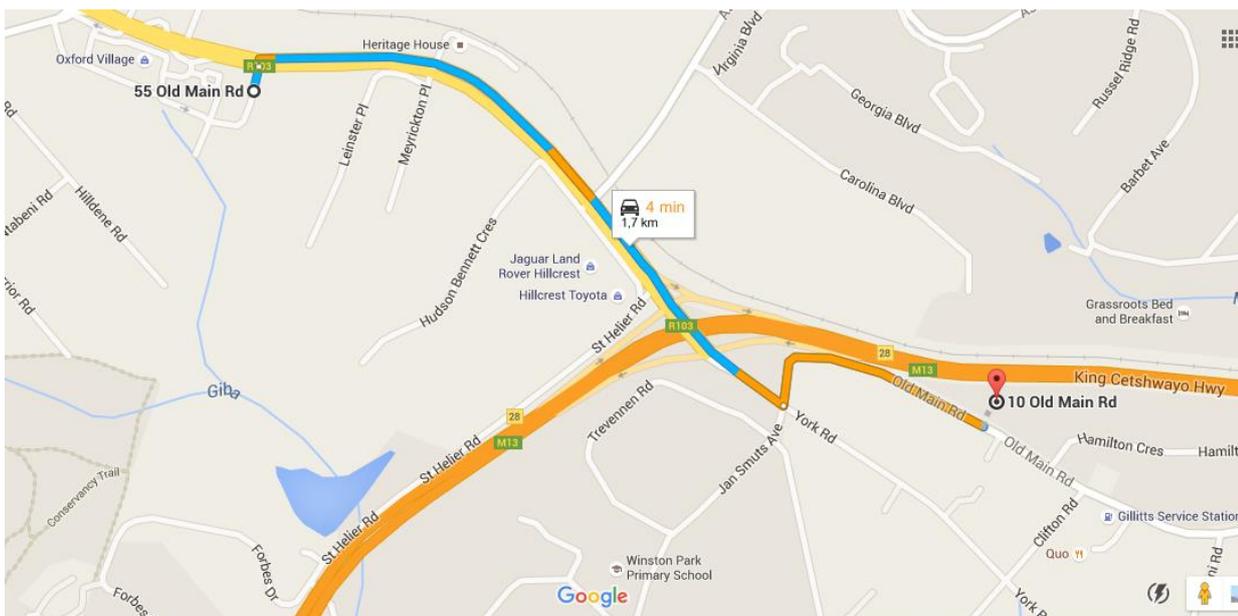

VOL 2. NUMBER 8

Greetings to all,

They say a change is as good as a holiday. Whilst everyone else has been enjoying winter holidays in the Drakensburg, the Midlands or the game reserves, we have been preparing for the biggest change in the history of the Highway Diabetes Centre.

The first change is that as of the end of July, the Highway Diabetes Centre will be rebranded as The Atrium Diabetes Centre – same care & support, same health care professionals, but just a new name. Well.... And a new address and a few more new faces.

So, yes, we are moving! The practice will officially be **closed from Friday 22nd July until Wednesday 10th August 2016**. This period will include a big move, the annual CDE conference and an open day to which you are all invited. More about that later.... So our new address is **10 Old Main Road, Gillitts**. Considering we are currently at 55 Old Main Road, Gillitts, it is literally down the road! For those who prefer directions to a GPS, carry on down Old Main Road in Hillcrest towards the M13, go straight past the Toyota garage, over the M13 and then head towards Winston Park. Turn left at the Caltex garage as you get to Winston Park and keep following the road. The Atrium Lifestyle Centre is the second property on the left hand side of the road (sandwiched between the M13 and Old Main Road).

Could hardly be any easier than that!!

Highway Diabetes
Centre

Our official opening will be on **Friday 5th August** and you are all most welcome to come to the building anytime between **9am and 3pm** to see us. The Atrium Coffee House will be open and ready with hot coffee or delicious soup and bread for lunch. You will be able to meet the new and exciting team of the Atrium Lifestyle Centre and wonder around the building to see why we are all so excited. If the central atrium or personalised art works don't entice you, then maybe the roof top garden or energy efficient design of the building might. Failing this, just come and have some coffee and help us hang a picture or two!

Now for the team.. The best way to meet them is in person. A friendlier, more dedicated and more passionate team you could hardly hand-pick. It is going to be a privilege and an honour to work in this new environment with them all.

Please go onto our new website www.theatrium.org.za and read up all about each team member, the services they offer and all the exciting new developments. The website also gives the remarkable history of the development of the building and many other resources for you, the reader. From now on, these newsletters will be posted online each month and you will be able to subscribe as you wish to have them emailed directly to you.

Please make contact with Debbi in the rooms prior to 22nd July for any urgent appointments or medicine collections. No medications or appointments will be available until after the August long weekend. Thereafter, please contact us on **031-819 3900**.

We look forward to welcoming you in our new home!

Warm regards

THE ATRIUM TEAM!
